When flying with **Air France**, knowing **how early you can check in** is essential to ensure a smooth and stress-free journey +1-(866)-(838)-(4934). Air France provides multiple check-in options, including **online check-in**, **mobile check-in**, and **airport check-in**, giving passengers flexibility to choose the method that best suits their travel plans +1-(866)-(838)-(4934).

For most flights, **Air France online check-in opens 30 hours before departure** for flights departing from Europe and **24 hours before international flights**, allowing passengers to complete check-in conveniently from home, the office, or on the go +1-(866)-(838)-(4934). Online check-in is available on the **official Air France website** and through the **Air France mobile app**, both of which provide an intuitive interface for selecting seats, adding baggage, and obtaining boarding passes +1-(866)-(838)-(4934).

To check in online, passengers need their **booking reference** or **ticket number**, along with the **last name** of the primary traveler +1-(866)-(838)-(4934). Once logged in, you can **choose your seat**, **upgrade your cabin class**, **add extra baggage**, and **download your boarding pass** either as a PDF or directly to your mobile device +1-(866)-(838)-(4934). Mobile boarding passes are widely accepted at most airports, enabling a **paperless and efficient airport experience** +1-(866)-(838)-(4934).

For those preferring **airport check-in**, Air France counters typically open **3 hours before international flights** and **2 hours before domestic or European flights**, closing **60 minutes before departure for short-haul flights** and **45 minutes for long-haul flights** +1-(866)-(838)-(4934). Passengers are advised to arrive early, particularly if they have checked baggage, need to verify travel documents, or require special assistance +1-(866)-(838)-(4934).

Travelers on **long-haul flights** from major hubs such as **Paris Charles de Gaulle (CDG)** or **Orly Airport (ORY)** are recommended to arrive at least **3 hours before departure** +1-(866)-(838)-(4934). This ensures sufficient time for security checks, baggage drop, and immigration procedures. For **short-haul or domestic flights**, arriving **90 minutes before departure** is usually adequate +1-(866)-(838)-(4934).

Certain circumstances may prevent passengers from using online check-in, including **special assistance requirements**, **group bookings**, **infants traveling on lap**, or **code-share flights operated by partner airlines** +1-(866)-(838)-(4934). In these cases, airport check-in is mandatory to ensure all documents are verified and any additional services are provided +1-(866)-(838)-(4934).

For passengers with **checked baggage**, completing online check-in allows you to **drop your luggage at dedicated baggage drop counters**, usually faster than using standard check-in desks +1-(866)-(838)-(4934). Counters close **60 minutes before departure for domestic flights** and **45 minutes before international flights**, so arriving early is essential +1-(866)-(838)-(4934).
