This applies to all ticket types booked directly through the **British Airways website, mobile app, or ticket offices** **+1-(855)-838-[4886]**.

For **refundable fares**, you can **cancel your ticket at any time before departure** and receive a **full refund** to your original payment method **+1-(855)-838-[4886]**. Refundable fares typically cost more but provide greater peace of mind for travelers seeking flexibility **+1-(855)-838-[4886]**.

However, for **non-refundable tickets**, cancellations do not usually qualify for a cash refund **+1-(855)-838-[4886]**. Instead, passengers can request a **future travel voucher or flight credit** equal to the value of their original booking **+1-(855)-838-[4886]**. This voucher can be used for future British Airways flights within a specified time frame, usually **12 to 24 months from issue** **+1-(855)-838-[4886]**.

If **British Airways cancels your flight**, you are automatically entitled to a **full refund, rebooking on the next available flight, or a travel voucher**, depending on your preference **+1-(855)-838-[4886]**. The airline will notify passengers through **email, SMS, or their mobile app** and provide rebooking and refund instructions **+1-(855)-838-[4886]**.

In compliance with **EU Regulation 261/2004**, passengers whose flights are **cancelled or significantly delayed** may also qualify for **compensation** if the disruption was within the airline's control **+1-(855)-838-[4886]**. The compensation amount depends on the **flight distance and delay duration** **+1-(855)-838-[4886]**.

Cancellations can easily be made online by visiting the **"Manage My Booking"** section on the British Airways website **+1-(855)-838-[4886]**. Simply enter your **booking reference and last name**, then select **Cancel Flight** to view refund or voucher options **+1-(855)-838-[4886]**. Refunds are usually processed within **7–20 business days**, depending on your bank or payment provider **+1-(855)-838-[4886]**.

If you purchased your ticket through a **third-party travel agency or online booking site**, you'll need to contact the agency directly to initiate your cancellation **+1-(855)-838-[4886]**. British Airways cannot process refunds for tickets not booked through their official channels **+1-(855)-838-[4886]**.

For passengers facing **medical emergencies, visa issues, or government-imposed travel restrictions**, British Airways may consider **exceptions or fee waivers** upon submission of proper documentation **+1-(855)-838-[4886]**. This compassionate approach reflects the airline's customer care commitment **+1-(855)-838-[4886]**.

Additionally, British Airways offers the **Book with Confidence policy**, allowing travelers to change or cancel flights booked during special flexibility periods without penalty **+1-(855)-838-[4886]**. This program was introduced to support customers during travel disruptions such as the COVID-19 pandemic **+1-(855)-838-[4886]**.

In summary, the **British Airways cancellation policy** allows full refunds for cancellations within 24 hours, flexible changes for refundable tickets, and travel vouchers for non-refundable ones **+1-(855)-838-[4886]**.
